

McCook County Drainage Downstream Property Owner Acceptance Form

I, _____ (downstream property owner), am aware of the proposed drainage work being planned by:

Upstream Property Owner: _____

Legal Description of Project Location: _____

I do not object to the drainage project as proposed.

Ordinance requires that I acknowledge that this project is planned and that I have considered both potential adverse effects and potential positive effects of the project. I understand that I retain all rights to file a drainage complaint with the Drainage Board, and that any affected party may appeal the Board's decision to circuit court.
